

NEW Busy Mom Program Guidelines (effective January 2022):

All Busy Mom Consignors must register with Regular Consignors to secure a spot.

All items- See "Accepted Items" on website for details on items we can/cannot accept, <http://capekidstresures.com/consign/accepted-items/>.

Condition- clothing must be freshly laundered, seasonally appropriate and checked for stains, tears, pilling, pet hair, odors or excessive wear. For Option 1, clothing must be sorted and hung by consignor. For Option 2, items must be folded in a box or tote for drop off. **We will no longer accept items in trash bags.** We will not accept items that are excessively wrinkled. **If we find 10 or more items in your batch that are stained/unacceptable, your entire batch may be returned to you.**

Drop-off Deadline: Email us for deadline details.

Limits- No limits on toys, baby gear, books, etc. Clothing is limited to 100 piece total; baby clothing is limited to 25 pieces in sizes 0-12 months; maternity clothing is limited to 10 pieces; teen clothing (sizes XS-XL, which is larger than kids size 16) is limited to 25 pieces total.

Toys, baby gear, etc.- please wipe down to make sure they are clean when you drop off and have working batteries in electronic items.

Bigger items- Bigger items (only those specified here) will pay out at 40%! Busy Mom Consignor takes a photo and sends to Tagger. Tagger will price, enter into system, print tag and bring tag to venue for placement on item. Consignor will drop off items directly at sales venue- no appointment necessary. Just see Dawn for "Drop & Go".

Bigger items include: Baby gear (big strollers, swings, bouncy seats, exersaucers, full-size high chairs), outdoor toys/slides, bicycles, toddler beds, train tables, changing tables, glider rockers, furniture items, large kitchens and dollhouses and gates). Smaller strollers, pack-n-plays, chair top high-chairs and baby gym mats can still be dropped off with Taggers.

Bigger items MUST be checked for recalls prior to drop off at <https://kidsindanger.org/>. All cribs MUST be manufactured after June 2012 and not recalled.

Discount- Busy Mom Consignors are required to discount their items, which means if they haven't sold during full price hours, they would be reduced to half-price.

Donate- you can choose whether you want your unsold items back at the end or have them donated. Please let your Coordinator know your preference at/before drop off.

Payment- Received within 14 days of the sale! And the best part-

VIP Shopping- You get to shop the VIP Consignor Presale (bring a friend for a \$5 donation)! You also get to invite 3 additional friends to shop for free admission during the Friends of Consignors Presale!
